FEMA Disaster Assistance Available for Texans

AUSTIN – Texans who sustained damage from the recent severe storms, straight-line winds, tornadoes, and flooding that began April 26 may be eligible for disaster assistance under FEMA’s Individuals and Households Program. Currently, residents living in **Harris, Liberty, Montgomery, Polk, San Jacinto, Trinity and Walker** counties may be eligible for disaster assistance.

FEMA’s disaster assistance offers new benefits that provide flexible funding directly to survivors when needed the most. In addition, a simplified process and expanded eligibility allows Texans access to a wider range of assistance and immediate funds for serious needs.

New Benefits for Immediate Funds

- **Serious Needs Assistance**, a \$750 payment for households for essential items will now be provided in all disasters receiving Individual Assistance to help people make ends meet.
- **Displacement Assistance**, a new benefit that will provide people with up-front funds to assist with immediate housing options of their choice, to keep people housed.

Serious Needs Assistance and Displacement Assistance are both funded after a completed inspection confirms eligibility.
