Stay up-to-date with CAER Online

Providing industry updates from EHCMA member facilities

The CAER Online system, managed by the East Harris County Manufacturers Association (EHCMA), informs residents in the member cities of the Houston Ship Channel Region about operational updates and events at member facilities.

Search "EHCMA CAER Online" in the Apple and Google Play stores. Visit **ehcma.org/caeronline** to learn more.

CAER Online messages may include general information about:

- Facilities
- Flaring
- Incidents
- Noise
- Odors
- Pipelines
- Rail cars
- Smoke
- Tanker trucks
- Training

Facilities try to post urgent messages within 15 minutes of an event, however at times it may take longer. While CAER Online is a valuable resource, community members should contact and follow instructions provided by local emergency managers during emergency situations.
